Don't forget the 3rd Annual Chili Cook-Off on 2/18/2012 after the 5:30 Mass. Remember this year we will also be judging desserts. You can enter both the chili and dessert competition if you like. Kimberly Perl won in 2010 with her "Chicken Lickin" Chili: but was not here for the competition last year when Father Pat took his "Meat Lovers Chili" to victory lane. Chris Haacke has proven to be unbeatable in the "Tums Award" category with two victories in two years. Don't forget when you try Father Art's creation this year how much he feeds us spiritually. We will have lots of prizes and a 50/50 raffle too. Who will be our next big Chili Cook-Off winner and who will win the new dessert competition? Come out on February 18th, eat some chili and dessert and cast your vote.

Calls for the St. Joseph's Table which will be held on March 18th at the Oakfield worship site have begun. If you have not been called, please call Diane Matla at 948-5553. There are also many opportunities to help with the event. Please call Diane if interested in helping.

**Monthly Financial Report**

	<b>Dec. 2011</b>	<b>Dec. 2010</b>
<b>Sunday and Holiday Collections</b>	\$19,434.72	\$35,714.33
<b>Monthly Utility Collections</b>	\$619.00	\$629.00
<b>Padre Pio Fund</b>	\$766.00	\$1975.00

The above chart shows the collections report for the month of December 2011 compared to the month of December, 2010. The parish participated in the Enhanced Stewardship Campaign in the fall of 2010 which accounts for some of the differences in the level of donation. As of December 2010, the parish had a year to date surplus of \$30,202.98. As of December 2011, the parish had a year to date deficit of \$10,257.85. Luckily, the mild winter has helped us keep the cold weather related expenditures lower than one year ago. The staff continues to attempt to provide the same level of services while constantly looking for places that expenditures can be cut. At some point in the near future we will have to pay for large maintenance issues. Those include a new furnace and air conditioning unit at the Elba worship site, repairs in the bathroom at the rectory, and sealing the blacktop at both sites.

**TO BE BROUGHT TO THE ATTENTION OF YOUR  
PEOPLE IN A SIGNIFICANT WAY.**

My Dear Diocesan Family,

I write to you concerning an alarming and serious matter that negatively impacts the Church in the United States directly, and that strikes at the fundamental right to religious liberty for all citizens of any faith. The federal government, which claims to be “of, by, and for the people,” has just dealt a heavy blow to almost a quarter of those people—the Catholic population—and to the millions more who are served by the Catholic faithful.

The U.S. Department of Health and Human Services announced last week that almost all employers, *including Catholic employers*, will be *forced* to offer their employees’ health coverage that includes sterilization, abortion-inducing drugs, and contraception. Almost all health insurers will be *forced* to include those “services” in the health policies they write. And almost all individuals will be *forced* to buy that coverage as a part of their policies.

In so ruling, the Administration has cast aside the First Amendment to the Constitution of the United States, denying to Catholics our Nation’s first and most fundamental freedom, that of religious liberty. And as a result, unless the rule is overturned, we Catholics will be compelled either to violate our consciences, or to drop health coverage for our employees (and suffer the penalties for doing so). The Administration’s sole concession was to give our institutions one year to comply.

We cannot—we will not—comply with this unjust law. People of faith cannot be made second class citizens. We are already joined by our brothers and sisters of all faiths and many others of good will in this important effort to regain our religious freedom. Our parents and grandparents did not come to these shores to help build America’s cities and towns, its infrastructure and institutions, its enterprise and culture, only to have their posterity stripped of their God given rights. In generations past, the Church has always been able to count on the faithful to stand up and protect her sacred rights and duties. I hope and trust she can count on this generation of Catholics to do the same. Our children and grandchildren deserve nothing less.

And therefore, I would ask of you two things. First, as a community of faith we must commit ourselves to prayer and fasting that wisdom and justice may prevail, and religious liberty may be restored. Without God, we can do nothing; with God, nothing is impossible. Second, I would also recommend visiting [www.usccb.org/conscience](http://www.usccb.org/conscience), to learn more about this severe assault on religious liberty, and how to contact Congress in support of legislation that would reverse the Administration’s decision.

Let us continue to pray fervently and work together to protect and defend our religious liberty as Roman Catholics and citizens of the United States of America.

Be assured of my prayers and all best wishes.

Sincerely in Christ,

Most Rev. Edward U. Kmiec
