"One in four women will experience the loss of a child. Are you one of them? Sadly this VERY common occurrence is still considered taboo. Let us break the walls together this month and flood the world with our voices. Stillbirth is over 10 times more common than SIDS deaths. On October 15th, parents and families of Babies gone too soon come together as one to honor their precious angels. When someone goes thru this horrible loss, friends and family sometimes do not know how to react. But it IS important to acknowledge the child. My name is Cortney Dawson and I am a face for stillbirth/early infant loss. It is my pleasure to come and speak for all the babies gone too soon and hopefully someone will learn from what we need to say."

"Repay to Caesar" is the way Jesus avoids entrapment with the Romans which would be reported by the Herodians. Repaying to God what belongs to God is Jesus' call to the interior surrender to which all people are called. God, the "Dominus" is greater than Caesar and God's empire more extensive. The Pharisees have heard this insult to their religious authority and so the trap has failed. The tension remains between them and Jesus and that tension will be rising

Just a reminder...if you or your group would like to have something put in the bulletin, **you need to compose that news article and submit it in writing to the office by Tuesday at noon preceding the weekend that you would like the bulletin announcement** to be included in the bulletin. The easiest way to do this is by email, which I check several times a day. There are also bulletin announcement forms outside the office. This will decrease the opportunity for incorrect information to be printed in the bulletin. Thanks for your cooperation.
